DIXONS CARPHONE HOLDINGS LIMITED STRATEGIC REPORT

This Strategic Report has been prepared for Dixons Carphone Holdings Limited ("the Company") and in preparing this Strategic Report the directors of the Company ("Directors") have complied with s.414C of the Companies Act 2006.

Principal activities

The Company carries out the activities of a holding company as a direct subsidiary of Dixons Carphone plc ("Dixons Carphone"). Dixons Carphone and its subsidiaries ("Group") operate retail and online propositions across a range of European markets. The Company holds investments, both directly and indirectly, in all of these retail operations.

Funding

The Company is funded primarily through loans from its parent entity.

Principal income streams and costs

The principal income of the Company is dividends income. Its principal expense is the costs of servicing the intercompany loan provided by the Company's parent.

Review of the business

Results and performance

The loss after taxation for the financial year was £15,661,000 (2015: £18,725,000), arising from interest incurred during the period and costs incurred as a result of the acquisition of Simplifydigital.

The Key Performance Indicator for the business is profit after tax.

On 6 August 2014, Carphone Warehouse Group plc ("Carphone") completed an all-share merger with Dixons Retail plc ("Dixons") ("Merger"), after which the shareholders of Dixons and Carphone each held 50% of Dixons Carphone. Carphone remained the ultimate parent entity of the Group but changed its name to Dixons Carphone. As a consequence of the Merger the Company acquired Dixons and changed its year end to be the Saturday closest to 30 April.

Principal risks and uncertainties

The Company has established risk management processes, which monitor the key risks facing the business.

Interest rate risk

Due to the nature of the Company's business and the assets and liabilities contained within the Company's balance sheet, the main financial risk is interest rate risk. Funding for all subsidiaries of Dixons Carphone, including the Company, is arranged centrally. The Group regularly monitors interest rate risk and the Company does not trade or speculate in any financial instruments.

Impairment of investment

The main assets held by the Company are its investment in Carphone Warehouse Europe Limited and Dixons Retail Group Limited (formerly Dixons Retail plc), which hold investments in companies which carry out the operations of the Group. The Group has established processes and procedures to assess and direct the financial and operational performance, and strategic direction of these businesses. These investments are assessed for impairment by the Directors on a regular basis.

Approved by the Board of Directors and signed on its behalf by:

**DIXONS CARPHONE HOLDINGS LIMITED
DIRECTORS' REPORT**

The Directors present their annual report on the affairs of the Company with the audited financial statements and auditor's report. The financial statements reflect the Company's results for the year ended 30 April 2016 ("the year"). Comparative information is provided for the 13 month period ended 2 May 2015.

Change of name

On 9 November 2016 the Company changed its name from New CPW Limited to Dixons Carphone Holdings Limited.

Dividends

The Directors do not recommend the payment of a dividend for the year (2015: nil).

Financial risk management

Due to the nature of the Company's operations and the assets and liabilities contained within its balance sheet, the main financial risks the Directors consider relevant to the Company are impairment of investments and interest rate risk which have been detailed in the Strategic Report on page 3.

Going concern basis

As further described in note 1, the Directors have formed a judgement that, at the time of approving the financial statements, there is reasonable expectation that the Company has adequate resources to continue in operation for the foreseeable future as a result of commitments received from its parent company that it will provide financial support if required to ensure that the Company can meet its liabilities as they fall due. For this reason the Directors continue to adopt the going concern basis in preparing the financial statements.

Directors

The Directors who served throughout the year and subsequently are shown on page 2. The Company had qualifying third party indemnity insurance for the benefit of its Directors throughout the period and at the date of the report.

Environment

A full analysis of the key regulatory and social risks of the industry in which Dixons Carphone operates is described in the Group's annual report, which does not form part of this report. As a subsidiary entity, the Company operates in accordance with group policies.

Donations

The Company made no charitable or political donations in the year (2015: nil).

Future development

The Company expects to continue as a holding company of the Group.

Statement regarding the disclosure of information to the auditor

Each of the persons who is a Director at the date of approval of this report confirms that:

- i. so far as each Director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- ii. each Director has taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Auditor

Deloitte LLP was the auditor of the Company during the year. Deloitte LLP has expressed their willingness to continue in office as auditor and a resolution to reappoint them will be proposed at the forthcoming annual general meeting.

Post balance sheet

There were no post balance sheet events.

Approved by the board of Directors and signed on its behalf by:

DIXONS CARPHONE HOLDINGS LIMITED DIRECTORS' RESPONSIBILITIES STATEMENT

The Directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) including FRS 101 'Reduced Disclosure Framework'. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions with reasonable accuracy at any time, the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DIXONS CARPHONE HOLDINGS LIMITED INDEPENDENT AUDITOR'S REPORT

Independent auditor's report to the member of Dixons Carphone Holdings Limited

We have audited the financial statements of Dixons Carphone Holdings Limited for the year ended 30 April 2016 which comprise the profit and loss account, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 'Reduced Disclosure Framework'.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's member those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's member, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 April 2016 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Strategic Report and the Directors' Report.

DIXONS CARPHONE HOLDINGS LIMITED
INDEPENDENT AUDITOR'S REPORT continued

Matters on which we are required to report by exception

We have nothing to report upon in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

1. ACCOUNTING POLICIES

1.1 Basis of preparation

Dixons Carphone Holdings Limited (the Company) is a Company incorporated in the United Kingdom under the Companies Act 2006. The address of the registered office is given on page pg2. The nature of the Company's operations and its principal activities are set out in the Strategic Report on page 3.

The Company meets the definition of a qualifying entity under FRS 100 (Financial Reporting Standard 100) issued by the Financial Reporting Council. Accordingly, in the year ended 30 April 2016 the Company has changed its accounting framework from pre-2015 UK GAAP to FRS 101 as issued by the Financial Reporting Council and has, in doing so, applied the requirements of IFRS 1.6-33 and related appendices. Accordingly, the financial statements have therefore been prepared in accordance with FRS 101 (Financial Reporting Standard 101) 'Reduced Disclosure Framework' as issued by the Financial Reporting Council, incorporating the Amendments to FRS 101 issued by the Financial Reporting Council in July 2015 and the amendments to Company law made by The Companies, Partnerships and Groups (Accounts and Reports) Regulations 2015 prior to their mandatory effective date of accounting periods beginning on or after 1 January 2016.

This transition is not considered to have had a material effect on the financial statements.

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under that standard in relation to share-based payments, financial instruments, capital management, presentation of comparative information in respect of certain assets, presentation of a cash-flow statement, standards not yet effective, impairment of assets and related party transactions.

Where relevant, equivalent disclosures have been given in the group accounts of Dixons Carphone plc.

The financial statements have been presented in UK Sterling, the functional currency of the Company, and on the historical cost basis.

The Company's income statement identifies separately Headline performance measures and Non-Headline items. Headline performance measures reflect adjustments to total performance. The directors consider 'Headline' performance measures to be a more accurate reflection of the ongoing trading performance of the Company and believe that these measures provide additional useful information to shareholders on the Company's performance and are consistent with how business performance is measured internally.

Headline results are stated before acquisition related costs. Items excluded from Headline results can evolve from one financial year to the next depending on the nature of exceptional items or one-off type activities described above

Headline performance measures and Non-Headline performance measures may not be directly comparable with other similarly titled measures or 'adjusted' revenue or profit measures used by other companies.

These financial statements are separate financial statements. The Company is exempt from the preparation of consolidated financial statements, because it is included in the group accounts of Dixons Carphone plc. The group accounts of Dixons Carphone plc are available to the public and can be obtained as set out in note 11.

There are no new accounting standards, amendments to standards or IFRIC interpretations which are effective for the Company for the first time during the current financial period which have had an impact on the Company's results or net assets.

The principal accounting policies are set out below:

**DIXONS CARPHONE HOLDINGS LIMITED
NOTES TO THE FINANCIAL STATEMENTS**

1 ACCOUNTING POLICIES continued

1.2 Going Concern

The Company's activities, together with the factors likely to affect its future development, performance and position and principal risks and uncertainties are set out in the Strategic Report on page 3.

The Company's forecasts and projections, taking account of reasonably possible changes in trading performance, show the Company should be able to operate within the level of its current working capital for the foreseeable future.

After making enquiries, the Directors have formed a judgement that, at the time of approving the financial statements, and having considered the Company's forecasts and projections, there is reasonable expectation that the Company has adequate resources to continue in operation for the foreseeable future. For this reason the Directors continue to adopt the going concern basis in preparing the financial statements.

1.3 Taxation

Current taxation

Current tax, is provided at amounts expected to be paid or recovered using the prevailing tax rates and laws that have been enacted or substantially enacted by the balance sheet date and adjusted for any tax payable in respect of previous years.

Deferred taxation

Deferred tax liabilities are recognised for all temporary differences between the carrying amount of an asset or liability in the balance sheet and the tax base value and represent tax payable in future periods. Deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Current and deferred tax is recognised in the income statement except where it relates to an item recognised directly in reserves, in which case it is recognised directly in reserves.

Deferred tax is measured at the average tax rates that are expected to apply in the years in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted, or substantially enacted by the balance sheet date.

Deferred tax assets and liabilities are offset against each other when they relate to income taxes levied by the same tax jurisdiction and when the Company intends to settle its current tax assets and liabilities on a net basis. Deferred tax balances are not discounted.

1.4 Investments and other financial assets

The Company's financial assets comprise cash and cash equivalents and fixed asset investments. Under the classifications stipulated by IAS 39, cash and cash equivalents are classified as 'loans and receivables' and 'held for trading unless designated in a hedge relationship', respectively.

Fixed asset investments

Investments in subsidiaries are stated at cost less any provision for impairment in value.

1.5 Borrowings and other financial liabilities

The Company's financial liabilities are those which involve a contractual obligation to deliver cash to external parties at a future date. Financial liabilities comprise all items shown in notes 7, 8 and 9 with the exception of deferred income and other non-financial creditors.

Under the classifications stipulated by IAS 39, borrowings and trade and other payables are classified as 'financial liabilities measured at amortised cost'.

1.6 Trade and other payables

Trade and other payables are recorded at amortised cost.

**DIXONS CARPHONE HOLDINGS LIMITED
NOTES TO THE FINANCIAL STATEMENTS**

1 ACCOUNTING POLICIES continued

1.7 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Investment and property, plant & equipment impairment reviews

Investments are required to be valued annually to assess the requirement for potential impairment.

Such calculations require judgement relating to the appropriate discount factors and long term growth prevalent in a particular market as well as short and medium term business plans. The directors draw upon experience as well as external resources in making these judgements.

On 31 March 2016 the Group acquired 100% of the issued share capital of Simplify Digital Limited for a total consideration of £48,713,000 including £23,713,000 of deferred consideration (see note 8). Simplify Digital Limited is the UK's largest and fastest growing multi-channel switching platform, offering consumers an Ofcom accredited price comparison and switching service for broadband, digital TV and fixed line telephone contracts. The company was acquired to further the Group's position as the best place for customers to receive independent advice across all their technology, connectivity, media content and service needs.

Refer to note 12 of a list of investments held by the Company.

7. TRADE AND OTHER PAYABLES

Earn-out consideration of up to £23.7 million is payable in cash and is contingent on the performance of Simplifydigital against earnings growth targets over a period of up to five years. The fair value of contingent consideration arrangements has been estimated by applying the income approach. A reduction in the growth assumptions used in the fair value methodology would result in a reduction in the amount of contingent consideration payable.
