The receipt of the Company for the purchase money, pursuant to such transfers, shall constitute a good and valid discharge to the Proposed Purchaser (who shall not be bound to see to the application thereof) and after the Proposed Purchaser has been registered in purported exercise of the aforesaid powers the validity of the proceedings shall not be questioned by any person. The Company shall not pay the purchase money due to the Defaulting Member(s) until he shall, in respect of the Shares being the subject of the Compulsory Sale Notice, have delivered his share certificates or a suitable indemnity and the necessary transfers to the Company.

The receipt of the Directors for the consideration shall constitute a good discharge to the transferee (who shall not be bound to see the application thereof) and after the transferee has been registered in purported exercise of the aforesaid powers the validity of the proceedings shall not be questioned by any person.

7.4 Requirement to Transfer Shares for Leaver

Subject always to the right of the Directors to vary, in accordance with Article 7.11.2, the procedure for a compulsory transfer of Shares, the Company may serve notice at any time on a Relevant Member who has become a Leaver (or the Relevant Executive of such Relevant Member) requiring the transfer of the Relevant Member's unvested Shares and specifying such person or entity to whom some or all of the Relevant Member's Shares are to be transferred (including, subject to the Act, the Company or an employee share ownership trust or any other trust) and describing the consideration payable under Article 7.5.

7.5 Consideration for Unvested Shares

The consideration payable for a transfer of unvested Shares (including Shares transferred by a Bad Leaver) shall be the Subscription Price in respect of such Shares or if such Shares (other than YY Shares) were acquired by the Leaver pursuant to a transfer, the amount paid by the Leaver on transfer of such Shares to him, save that the Directors may in their absolute discretion specify a higher price. The consideration will be paid within one month of the end of the month of the Leaving Date.

7.6 Options

7.6.1 Subject always to the right of the Directors to vary, in accordance with Article 7.11.2, the procedure for a compulsory transfer of Shares, and subject to the Act, a Good Leaver may within 12 months of him becoming a Leaver (and provided that he has not become a Bad Leaver at any time after he became a Leaver) serve notice on the Company requiring such person or entity as the Company may determine (including the Company or an employee share ownership trust or any other trust) to enter into an option (within 30 business days of service of such notice) in a form that is satisfactory to the Company in respect of the transfer of all vested Shares held by such Good Leaver and/or his Relevant Member:

- (a) such option to be exercisable by the Good Leaver and/or his Relevant Member or by the Company or any person or entity it may nominate on the fourth anniversary of the Leaving Date ("Due Date") or if such anniversary is not a business day, the first business day following such anniversary; or
- (b) such option to be exercisable by the Good Leaver and/or his Relevant Member or by the Company or any person or entity it may nominate in four equal instalments exercisable annually on the first, second, third and fourth anniversaries of the Leaving Date ("Due Date") or if any such anniversary is not a business day, the first business day following such anniversary.

7.6.2 Subject always to the right of the Directors to vary, in accordance with Article 7.11.2, the procedure for a compulsory transfer of Shares and subject to the Act, the Company may within 12 months of the Good Leaver becoming a Leaver serve notice on the Good Leaver requiring the Relevant Member to make an election as to whether to enter into an option under Article 7.6.1(a) or 7.6.1(b), such option to be entered into within 30 business days of receiving notice from the Company.

7.6.3 The consideration payable for a purchase of vested Shares under this Article 7.6 shall be calculated and paid in accordance with Article 7.8. If at any time during the 12 months after the Good Leaver became a Leaver and after service of a notice under Article 7.6.1 or 7.6.2 he subsequently becomes a Bad Leaver, any notice served under this Article 7.6.1 or 7.6.2 shall immediately become void, the options granted pursuant to Article 7.6.1(a) or (b) shall become void in accordance with their terms and all Shares held by the Leaver shall be treated as unvested and shall, if the Directors so require, be transferred, if not yet transferred, in accordance with Article 7.4

above or, if transferred, shall be deemed to have been transferred in accordance with Article 7.4 above and all consideration payable shall be paid in accordance with Article 7.5 above.

7.7 Failure to enter Option

Subject always to the right of the Directors to vary, in accordance with Article 7.11.2, the procedure for a compulsory transfer of Shares, if the Relevant Member fails to enter into an option within the prescribed time limit as set out in Article 7.6.1 after having served notice pursuant to Article 7.6.1 or fails to enter into an option within the prescribed time limit as set out in Article 7.6.2 in response to a notice served in accordance with Article 7.6.2, then the Directors may within 12 months and one business day of a Relevant Executive becoming a Good Leaver, serve notice requiring a Good Leaver (or his Relevant Member) to transfer all vested Shares held by such Good Leaver or Relevant Member to such person or entity as the Company may determine (including the Company or an employee share ownership trust or any other trust) such transfer to be effected within 10 business days of service of such notice. The consideration payable for such purchase shall be calculated and paid as if such vested Shares were unvested in accordance with Article 7.5.

7.8 Valuation Formula- Consideration For Vested Shares

Subject to a transfer of Shares being required under these Articles and subject to Articles 7.11 and 7.12, the consideration payable for the transfer of vested Shares by a Good Leaver (or his Relevant Member), shall be paid in cash within one month of the end of the month of the Due Date or in the case of an option under Article 7.6.1(b) within one month of the end of the month of each Due Date in accordance with the terms of the relevant option agreement. The option agreement shall provide for an Actual Exercise Price for the vested Shares of the Leaver which (other than in relation to ZZ Shares, the value of which shall be calculated in accordance with Article 7.13) shall be calculated in accordance with the relevant formula set out below save that in the case of an option entered into under Article 7.6.1(b), the Actual Exercise Price in respect of the first instalment of the option, (exercisable on the first anniversary of the Leaving Date), shall be varied so that the Average Managed Funds shall be calculated for the 18 months preceding and the 12 months following the Leaving Date ("Year One Exercise Price"). The Actual Exercise Price in respect of the second instalment of the option, exercisable on the second anniversary of the Leaving Date, shall be calculated in accordance with the relevant formula set out below but shall be adjusted to take into account an amount equal to the difference between the Year One Exercise Price and the amount which would have been payable in respect of the first instalment of the option, exercisable on the first anniversary, had an 18 month period following the date upon which a Relevant Executive became a Leaver been applied rather than a 12 month period. The formula as it relates to the percentage of Average Managed Funds is intended to reflect the value attributable to the Leaver's own Shares and shall be adjusted pursuant to Article 7.11.1 if at any time the market value calculated thereby would not be a true reflection of that value.

Formula

The Actual Exercise Price per share (AEP) of the Shares shall be the sum of the Basic Exercise Price (BEP) plus Notional Interest (NI)

For the Original Ordinary Shares, BEP shall be equal to EPOO

For the Series II Ordinary Shares, BEP shall be equal to EPN

$$EPOO = \left[\left(0.75 \times \left\{ \left(\frac{C-D}{2,286,000} \right) + \left(\frac{E-C}{2,957,500} \right) \right\} \right) + \left(0.25 \times \left\{ \left(\frac{C-F}{2,286,000} \right) + \left(\frac{G-C}{2,957,500} \right) \right\} \right) \right]$$

$$EPN = \left[\left(0.75 \times \left(\frac{E-C}{2,957,500} \right) \right) + \left(0.25 \times \left(\frac{G-C}{2,957,500} \right) \right) \right]$$

Where:

A = 1.75% of Average Managed Funds

B = 1.75% of Managed Funds at the Relevant Date

C = ((0.75 x A) + (0.25 x B)) calculated at the allotment date of the Series II Ordinary Shares

If A > C then D = 0 and E = A

If B > C then F = 0 and G = B

If A <= C then D = (C-A) and E = C

If B <= C then F = (C-B) and G = C

"Average Managed Funds" shall be the simple average of the Managed Funds, as measured by the company from time to time, such average to be calculated for the 18 months preceding and the 18 months following the Leaving Date. For the avoidance of doubt, in calculating the appropriate period, the month of the Leaving Date shall be the first month when calculating the 18 months following the Leaving Date and the month preceding the month of the Leaving Date shall be the first month when calculating the 18 months preceding the Leaving Date.

"Relevant Date" shall be the 31 December of the year preceding the year of each Due Date.

"Notional Interest (NI)" shall be such amount as is equal to the amount of interest which would have been payable on the total amount of each tranche of the BEP from the Leaving Date until each relevant Due Date if interest was payable and was calculated at the rate of the Bank of England base rate minus one. The NI shall be payable in cash with payment of each such tranche of the BEP.

7.9.1 Re-pricing Event

Subject to 7.9.2 below, in the event that within 24 months of a Relevant Executive becoming a Good Leaver either of the following (a "Re-pricing Event") occurs:

- (i) all or a majority of the Shares are transferred to a third party purchaser (or purchasers); or
- (ii) there is a sale of all or substantially all of the Company's assets; or
- (iii) the Shares are admitted to trading on the London Stock Exchange, AIM or any other recognised investment exchange (as defined by the Financial Services Markets Act 2000); and

in either case the value resulting therefrom attributable to each Share other than each ZZ Share ("Sale Price") is greater than the consideration payable or paid under Article 7.8 ("the 7.8 Price") then such consideration shall be increased by:

- (a) 100 per cent of the difference between the Sale Price and the 7.8 Price if the Re-pricing Event occurs within 12 months of the Relevant Executive becoming a Good Leaver; or
- (b) 50 per cent of the difference between the Sale Price and the 7.8 Price if the Re-pricing Event occurs within 24 months of the Relevant Executive becoming a Good Leaver.

7.9.2 In the event a Relevant Executive becomes a Leaver within 24 months of subscribing for Shares then the consideration payable in respect of those Shares subscribed for in the 24 months preceding the date on which the Relevant Member or the Relevant Executive became a Leaver (other than ZZ Shares), in the event of the occurrence of a Re-pricing Event shall be:

- (i) the Subscription Price if the Re-pricing Event occurs within 12 months of the date of subscription of the relevant Shares;
- (ii) the Subscription Price plus 50 per cent of the difference between the Subscription Price and the Sale Price if the Re-pricing Event occurs within 24 months of the date of subscription of the relevant Shares.

In respect of any amount of consideration payable under this Article 7 which has been paid prior to a Re-pricing Event occurring but which, pursuant to Articles 7.9.1 and 7.9.2, is subsequently increased, the amount of the increase in the consideration shall be paid within one month of the Re-pricing Event occurring.

7.9.3 Notwithstanding the provisions of Articles 7.9.1 and 7.9.2, it is acknowledged that the 7.8 Price will not be determinable at the date of a Re-pricing Event by reason of a Re-pricing Event taking place prior to the expiration in full of the option periods referred to in Articles 7.6.1 (a) and 7.6.1 (b). For the purposes of determining the 7.8 Price as required by Articles 7.9.1 and 7.9.2, the exercise price shall be calculated as follows:

- (a) in the case of an option exercisable pursuant to Article 7.6.1(a), being exercisable on the fourth anniversary of the date on which the Good Leaver became a Leaver, the exercise price shall be calculated by reference to the Managed Funds on the 31 December in the year preceding the year in which a Re-pricing Event takes place or, if the Re-pricing Event takes place on 31 December, on the date of the Re-pricing Event; and
- (b) in the case of an option exercisable pursuant to Article 7.6.1(b), the exercise price shall be calculated in accordance with Article 7.8, save that for any remaining instalments of the option which, at the date of the Re-pricing Event, have not actually been exercised, the price for the remaining instalments of the exercise price in respect of which the option is exercisable, shall be calculated as if the Managed Funds were calculated on the 31 December in the year preceding the year in which a Re-pricing Event takes place or, if the Re-pricing Event takes place on 31 December, on the date of the Re-pricing Event.

When calculating Average Managed Funds, if a Re-pricing Event occurs within 24 months of a Relevant Executive becoming a Good Leaver but prior to the expiration of the 18 months following the Leaving Date as referred to in the formula of Article 7.8 having expired, then the Average Managed Funds shall be calculated by reference to the provisions of the formula of Article 7.8, but the period of 18 months following the Leaving Date shall be substituted with such shorter period of time that has actually elapsed commencing on the Leaving Date and ending on the date of the Re-pricing Event.

7.10 Dispute over Valuation

In the event of any dispute as to the calculation of the consideration (including as to the amount of the Managed Funds and the Average Managed Funds) the decision of the Auditors, acting as experts and not as arbitrators, shall be final and their fees for so doing shall be borne as they determine.

7.11 Variation to Agreed Procedure

7.11.1 The Directors may, with the prior approval of Shareholders by an ordinary resolution, amend the valuation formula contained in Article 7.8, including to ensure that a Leaver receives market value in relation to his Shares save that no change which would reduce the consideration payable to a Relevant Member who has become a Leaver (or whose Relevant Executive has become a Leaver) shall apply if such change is made after the Leaving Date.

7.11.2 The Directors may from time to time and on a case by case basis, provided that they reasonably consider that it is in the best interests of the Company or the Shareholders as a whole:

- (a) require any compulsory transfer of Shares, whether vested or unvested, to be effected in a manner which is different from the procedure set out in Articles 7.4, 7.6 or 7.7 (including for the avoidance of doubt requiring a Leaver to immediately sell their Shares but with consideration for such Shares to be paid over a four year period); or
- (b) vary the terms of any option into which a Good Leaver is to enter pursuant to Article 7.6.1 above, from those terms set out in either Article 7.6.1(a) or Article 7.6.1(b),

in each case without needing the approval of shareholders in general meeting by special resolution on the grounds that such a variation constituted a change to the provisions of these Articles. This Article 7.11.2 shall not authorise the Partners or Directors to either amend the valuation formula contained in Article 7.8, other than as provided in Article 7.11.1 or to extend the periods for payment of the consideration due to the Relevant Member as set out in Article 7.8 unless in each case the Relevant Member has consented to such amendment or extension.

7.12 Deduction from Option Payment

There shall be deducted from the total consideration payable under Article 7.6, a sum equal to the amount of all dividends to which the Relevant Member becomes entitled or which are paid to the Relevant Member, in each case from the Leaving Date to the date of payment of the final amount of consideration due to such Relevant Member.

7.13 ZZ Shares

The consideration payable for each ZZ Share and which is transferred in accordance with the provisions of this Article 7 shall be that portion of the ZZ Balancing Amount which is attributable to that Share on a pro rata basis.

8 Information concerning shareholdings and transfers

For the purpose of ensuring that a transfer of Shares is a Permitted Transfer or that no circumstances have arisen whereby a transfer is or may be required the Directors may from time to time require any member or the legal personal representatives of any deceased member or any person named as transferee in any transfer lodged for registration to furnish to the Company such information and evidence as the Directors may think fit regarding any matter which they may deem relevant to such purpose. In the event such information is not provided within a reasonable time the Directors may by Executive Special Majority determine that such Shares shall cease to carry votes until such time as the Partners by a Partners Meeting specifies.

9 Proceedings at General Meetings

9.1 A poll may be demanded at any general meeting by the chairman or by any member present in person or by proxy and entitled to vote. Regulation 46 shall be modified accordingly.

9.2 A resolution in writing executed or approved by facsimile by or on behalf of the holders of all the issued Shares entitled to vote in respect of such holding, by such holder or holders, shall be as valid and effectual as if the same had been duly passed at a general meeting and may consist of several documents in the like form, each executed by or on behalf of one or more persons. In the case of a corporation, the resolution may be signed on its behalf by a Director or the Secretary thereof or by its duly appointed attorney or duly authorised representative. The Directors may, but shall not be bound to, require evidence of the authority of such officer or attorney. The appointment of a proxy need not be witnessed.

9.4 The instrument appointing a proxy together with (unless the Directors waive such requirement) the power of attorney or other authority (if any) under which the appointment is made, or a notarially certified or office copy of such power or authority, shall in the case of an instrument in writing be deposited, at the registered office for the time being of the Company, or at such other place in the

United Kingdom as may be specified for that purpose in the notice calling the meeting or in any instrument of proxy sent out by the Company in relation to the meeting, not less than 48 hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, and in default the instrument of proxy shall not be treated as valid. The like time limit shall also apply to the cancellation or revocation of any such instrument. In the case of an appointment of a proxy contained in an electronic communication, where an address has been specified for the purpose of receiving electronic communications in the notice convening the meeting, or in any instrument of proxy sent out by the Company in relation to the meeting, or in any invitation contained in an electronic communication to appoint a proxy issued by the Company in relation to the meeting, such appointment must be received at such address not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the appointment proposes to vote. Where more than one appointment of a proxy is delivered, deposited or received in respect of the same Shares, that delivered, deposited or received latest shall prevail; if it is not clear which was delivered, deposited or received latest, none shall be valid. The appointment of a proxy to vote at any meeting deposited, delivered or received as aforesaid shall, unless the contrary is stated thereon, be valid to empower the proxy so appointed to vote on any poll taken or demanded at such meeting or at any adjournment of such meeting. The appointment of a proxy shall not be valid after the expiration of 12 months from the date named in it as the date of its execution, except on a poll demanded at a meeting or an adjourned meeting in cases where the original meeting was held within 12 months from such date.

9.5 The appointment of a proxy shall be deemed to include the right to demand or join in demanding a poll but shall not confer any further right to speak at the meeting, except with the permission of the chairman of the meeting.

9.6 A vote given in accordance with the terms of the appointment of a proxy or by the duly authorised representative of a corporate member, or a poll demanded by proxy or by the duly authorised representative of a corporate member, shall be valid notwithstanding (in the case of a proxy) the previous death or mental disorder of the principal or the revocation of the appointment of proxy or of the authority under which the appointment of a proxy was made or (in the case of a duly authorised representative of a corporate member) the revocation of his appointment, provided that no intimation in writing or electronic communication of such death, mental disorder or revocation shall have been received by the Company at the registered office for the time being of the Company (or, where the appointment of the proxy was contained in an electronic communication, at the address at which such appointment was duly received) or at such other place at which it was required to be deposited, delivered or received under Article 9.4 three hours at least before the commencement of the meeting or adjourned meeting at which the vote is given or the poll demanded or (in the case of a poll taken otherwise than on the same day as the meeting or adjourned meeting) the time appointed for taking the poll.
