DIRECTORS RESPONSIBILITIES

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the Directors are required to:

- make suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the statements (except for small or medium-sized companies as defined by the Companies Act);
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.
