Transactions with

4 directors

During the year the company made loan advances to the director in the sum of £18,418. No interest is charged by the company on the loan and the loan is repayable on demand. At the year end date, the amount owed by the director to the company was £18,418.

4 Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax. Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.
