Notes to the Abbreviated Accounts for the period ended 31 March 2016**1 Accounting Policies****Basis of measurement and preparation of accounts**

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Turnover policy

Turnover represents amounts derived from the company's principal activity. Turnover is recognised upon completion of the contractual obligations of the company.

Other accounting policies**Deferred taxation**

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into US dollars at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into US dollars at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Profit and loss account.
