Directors Report

In submitting the accounts for the year ended 31st March, 2000, the Directors report as follows:-

Statement of Director's responsibilities

Company Law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Company continued its sole activity, that is the management of flats at 125 Newbridge Road, Bath.

There was a surplus of £414 for the year (previous year - surplus £413) which has been transferred to the Maintenance Fund.

The Directors and all who have served as Directors during the year are as follows:-
