Statement of the Directors' Responsibilities

The Directors are required by the Companies Act 1985 to prepare accounts which give a true and fair view of the affairs of the Company at the end of the Financial Year and of the results for that period

In preparing these financial statements, the directors are required to

- Select suitable accounting policies and then apply them consistently,
- Make judgements and estimates which are reasonable and prudent,
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements,
- Prepare the Financial Statements on a going concern basis, unless it is inappropriate to presume that the company will continue in business

The Directors have responsibility for ensuring the Company keeps adequate accounting records which disclose with reasonable accuracy the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 1985

The Directors have a general responsibility for taking reasonable steps to safeguard the assets of the group and to prevent and detect fraud and other irregularities

The Directors claim exemption from the requirement to be audited and deliver audited accounts to the Registrar of Companies under Statutory Instrument 1994 Numbers 1935 and 2879 as a smaller company which has a turnover less than £350,000 for the year ending 31 August 2007. The company has been dormant throughout the Financial Year ending 31 August 2007 and the Directors rely on Section 25c of the Companies Act 1985 entitling them to deliver unaudited accounts to the Registrar of Companies. The Directors confirm that they are entitled to the exemption conferred by section 246 on a small company

By Order of the Board of Directors,

Andrew Russell

Secretary
