Notes to the Abbreviated Accounts

for the Period Ended 30 April 2015

1. Accounting policies

Basis of measurement and preparation of accounts

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover policy

Turnover represents the value, net of value added tax, of revenue due from the normal activities of the business to the extent that a right to consideration in exchange for performance of those activities arises.

The revenue recognised is measured by reference to amounts likely to be chargeable to clients, less a suitable allowance to recognise the uncertainties remaining in the completion of the obligations.
